vi. Institutional set-up for liquidity risk management

The Board of Directors of the Company has instituted the Asset Liability Management Committee to monitor and manage liquidity risk inter-alia by way of monitoring the asset liability composition, reviewing the liquidity and borrowing program of the Company, setting-up and monitoring prudential limits on negative mismatches w.r.t. liquidity and interest rate.

The Company's liquidity and funding approach documented through its various plans and policies including the Asset Liability Management and Liquidity Risk management Policy, Resources Planning Policy, Investment Policy, is to ensure that funding is available to meet all market related stress situations. We endeavor to maintain a conservative Asset Liability Management approach which is focused on maintaining long term funding stability.

The Company also has a Risk Management Committee which reports to the Board and is responsible for evaluating the overall risks faced by the Company including liquidity risks.

The Company's liquidity management set-up is assessed periodically to align the same with any regulatory changes in the economic landscape or business needs. The ALCO meetings are held once in a quarter and the committee submit its report to board on quarterly basis.
